Vote

Boston September 18, 1889

At a meeting of the Boston Commandery of Knights Templar
held at Boston, viz. Aug. 18, it was whereunto
by Edward A. White the Treasurer that the Trustees of the
Permanent Fund of said Commandery had recently sold
a certain piece or parcel of land with the building thereon

Sept 18/89

owned by said Trustees in the situated in that part of Boston
called South Boston on Linden Street (more particularly de-
scribed in the deeds and mortgages hereinto annexed
to the Ellen Agnes McEntosh for the sum of \$4000.
That in pursuance of said sale the Trustees of the Permanent
Fund of Boston Commandery by Edward A. White Treasurer by
deed dated August 10, 1889 and recorded with Suffolk Deeds
in the same way and Edward A. White, Daniel W. Amey
and Charles F. Harden Trustees of the Permanent Fund of the
Boston Commandery by another deed dated and recorded on
said August 10th had conveyed said premises by quitclaim
deeds with the usual covenants in fee simple to said Mc-
Entosh. That said consideration was fully paid and receipt
acknowledged - That prior to this said premises were
conveyed in mortgage by James P. Scadding to said Trustees
by mortgage deed dated June 20, 1882 and recorded with
Suffolk Deeds Lib 1374 fol 41. That a second mortgage
of said premises was given by said Scadding to said Trust-
ees dated October 2, 1882 and recorded with said deeds
Lib 1544 fol 18. That subsequently possession was taken
under both of said mortgages by Edward F. O'Brien as agent
of said Trustees for the purpose of enclosing the same,
all of which appears in the records of Suffolk Deeds.
That later a sale and deed by said Trustees under the
first mortgage by virtue of the power contained therein
was made and given to Edward F. O'Brien, the deed to
said O'Brien being recorded with Suffolk Deeds Lib 1531
fol 552 and said O'Brien conveyed to said Trustees by
deed dated July 1888 and recorded with said deeds

2d 1831. Fol 553. That afterwards a power of attorney was given by said White Trustees to said O'Brien to make another entry for possession under both said Mortgages in the name and on behalf of said White Trustees for himself and co-trustees for the purpose of rectifying and continuing former entries. That in pursuance of the power given in said instrument another entry for possession was made for the purpose of reclosing both said Mortgages. Said power and the evidence of possession are both recorded with the Recorder. That an assignment of the said second Mortgage and the surrender of the Mortgage notes of the first and second mortgages was made and given by said Trustees to said McEnlosh. It was further presented that said sum of \$4700 paid for said premises by said McEnlosh was more than enough to pay both Mortgage notes with accrued interest, and expenses incurred relative to the recovery and sale of said estate. That said McEnlosh accepted said deeds and paid said consideration on the express understanding with said Trustees or their Treasurer that the Commandery would at their next meeting pass a vote to confirm all the proceedings of the Trustees relative to said sale and conveyance to said McEnlosh and give a confirmatory deed of said premises conveying the same to said McEnlosh her heirs and assigns in fee simple. On motion it was therefore Voted that said deed by the Trustees of the Permanent Fund of Boston Commandery executed by Edward A White Treasurer in his name and behalf to Ellen Agnes McEnlosh and the deed of Edward A. White, Daniel W Lawrence and Charles Hayden Trustees of

the Permanent Fund of the Boston Commandery to said McEnlosh and the power of attorney of said White Trustees to said O'Brien and the possession and entries made by said O'Brien as Agent of said Trustees or by said White on his own behalf and that of his co-trustees by said O'Brien his attorney and the assignment of said second Mortgage by said Trustees to said McEnlosh and the surrender of the Mortgage notes of both Mortgages also any and all other acts done by said Trustees or either of them, his or their agent or attorney in the premises be and the same are hereby fully ratified and confirmed - and it was also Voted that Edward A White Treasurer be and he hereby is authorized and directed to sign, seal, acknowledge and deliver for and in the name and on behalf of the Boston Commandery of Knights Templar a good and sufficient quit-claim deed of said premises (with the usual covenants and with covenants confirming the proceedings of said Trustees or either of them, his or their agent or attorney in the premises and with such further covenants and covenants as he may deem proper expedient) to Ellen Agnes McEnlosh her heirs and assigns in fee simple and to execute any and all other papers which he may deem necessary to vest any possible title, interest or estate said Boston Commandery of Knights Templar may have in the said premises or any part thereof, so as to fully confirm the title of said Ellen Agnes McEnlosh her heirs and assigns in the premises aforesaid. Monday Oct 7th was passed in sight-seeing visiting other Commanderies, where a hearty welcome awaited the members of Boston Commandery - and as each member refused. Tuesday Oct 8th. At 8.45 A. M. lines were formed preliminary to taking part in the Grand Parade - march was taken to the place assigned in the procession. The Second Division under the Command of Rt. Eminent Nicholas Van Slyck was composed of Commanderies from Massachusetts and Rhode Island - Boston Commandery being the second in line. The march was 3 1/2 miles in length, and the number participating estimated at 23000 Six Knights, it being the largest Temple parade in this country and probably in the world - passing the White House the Commanderies were reviewed by the President of the United States - of the showing made and the appearance of the Commandery, suffice it to say, that the Banner was raised with honor, and nothing occurred to mar the history or record of the oldest Commandery in the State - after the parade

the Commandery returned to its quarters and the remainder of the day and evening was spent pleasantly in receiving and exchanging courtesies with our Brethren from other States. Wednesday Oct 9th No order appearing on the Bulletin - the day was passed mostly in visiting the Public Buildings - Capitol - in Carriage drives to Arlington to visit the National Cemetery or the Soldiers Home - a Reception was tendered to the Six Knights by the President - Six Knights appearing in full regalia - the White House and grounds were brilliantly illuminated and the Maine Band furnished the music. Thursday Oct 10. Lines were formed at nine a. m. and in full regalia, preceded by the Band the march was made to the Potomac Shore, where embarking on the Boat - Mt Vernon was soon reached, landing the lines were formed and the Commandery marched to the front of the Mansion - occupying three sides of a square with the stage and were within the enclosure, the Six Knights were addressed by the Eminent Commandery in words fitting and pertinent to the occasion - he referred to the honored dead - he stated - "that as Washington was honored among men as the first, so also was he honored by our fraternity" he called on the Six Knights to uncover and reverently bow, while the Excellent Prelate offered tribute to his memory and invoked the divine favor. Prayer was then offered by the Prelate Rev Sir R. Perry Bush, after which Mozart's Funeral Music, composed in 1785 was played by the Band - the service was impressive and addressed by many - the Mansion with its surroundings were then inspected, and after some delay

Oct-5/89.

Our Commandery embarked in Washington and returned to its quarters at the Riggs House. In the evening the Commandery gave a Reception in the Parlor of the Hotel. All Six Knights were invited - Eminent Sir Morgan with 12 members of the Council received and from Eight to Eleven o'clock, guests to the number of 100 persons and were received and were the recipients of the hospitality and good cheer of the Six Knights of Boston Commandery.  Suddenly and without any preliminary symptoms, the
 Rev John W. Woodman
 was stricken with apoplexy, on August 6, 1890, and

Sept 17/90

a life of singular usefulness was closed, while yet he looked on with a pleasing surprise at seeing him fall.

For a quarter of a century he had been Chaplain and Superintendent of Schools at the New England Institutions, owned and managed by the City of Boston.

He was elected Grand Patriarch of the Grand Commandery on October 20. 1882, was continued in office until death and was always ready, cheerful, and efficient in the various services he was called upon to render.

Born in Hubbardston, Mass December 20. 1819, he engaged in the ministry of the Methodist Church at the age of nineteen years, was made a Mason early in 1839, and during the four years following he received all the degrees in the American system, and those in the A. I. and A. I. Rite to the thirty-second degree. Past Master, Past High Priest, Past Grand High Priest, Past M. I. S. I. Grand Master of the Grand Council, Past Eminent Commander of De Molay Commandery, and President of the Massachusetts Convention of High Priests, he won respect in all for his fidelity, and secured the affection of his Brethren by reason of his familiar manner, his patient bearing, and his truth of character.

As a member of the Committee on Correspondence in the Grand Commandery, his work was in harmony with his character, and was sustained by his superior knowledge.

That he has left his impress upon the age in which he lived, is attested by many witnesses, and we are the better for his living.

Sept 17/90

It is hereby ordered, that the Swords and Javelots of Grand and Subordinate Officers, and the altars of the several Lodges within our jurisdiction, be draped with emblems of mourning for a period of sixty days following the reading of this Order -

And further, this Order shall be read at the head of each Subordinate Commandery at the first Regular Conclave after its receipt, and entry thereof shall be made in the records.

Done at Boston, Mass this 29th day of August, A.D. 1890 and of the Order 772.

New York N. Y. March 28, 1891

To the Officers and Members of the Grand Commandery, the
 several Subordinate Commanderies, and all the Knights Templars
 within the jurisdiction of our Grand Commandery -

" Another hand is beckoning us,

Another call is given;

was summoned to his reward on high, and again the grave
 has been opened to receive all that was mortal of one who
 was in word and deed a true and complete Knight.

He had faithfully served this Grand Commandery as
 its Grand Master since 1877, until his death,

Records of the Grand Commandery

The following communication from the R. E. Grand Commandery as read.

Grand Commandery

at the Grand Commandery

Massachusetts and Rhode Island

Office of the R. E. Grand Commander

Providence, Mass March 9, 1892.

To the Officers and Members of the Grand Commandery, the several Subordinate Commanders, and to all Knights Templars within the jurisdiction of our Grand Commandery.

"Immortality is yours"

All rains, all tears, all time, all pain, and death

Like the eternal tunder of the flesh

into our ears this truth - we live forever"

After a short illness, in the morning of March 3, 1892.

R. E. Sir Nicholas Van Riper

Past Grand Commander of Knights Templars of Mass. & R. I.

and

Grand Union Warden of the Grand Encampment of the United

States of America.

was summoned to his tent on high, and again the doors of the priestly Asylum above have been opened to receive all that was immortal of one who was in wood and deed a valiant and magnanimous Knight. He had served his Grand Commandery in position of responsibility with energy and unusual executive ability.

Mar 1892

He was a member of Barbary Commandery; and in December, 1841 was elected Eminent Commander, but declined installation, having been elected the previous October Grand Commander of this Grand Commandery, serving as such two years. In 1889, he was elected Grand Union Warden of the Grand Encampment of the United States, which office he held at the time of his death.

For he held at the time of his death
the rank of Major, Scott of 12 he had attained the 33° and was an
honorary member of the Supreme Council. N.M.
Born in Pine Plains N.Y. July 28, 1827; removed to New York City
in 1855, where his rare talents, skill, and ability soon called him
to positions of responsibility and trust. He was a man of strong
feelings, and in consequence was exceedingly devoted to his fam-
ily, and deeply attached to his friends, whose interests he was ever
zealous to promote. In the death of this good and amiable
man society has lost one of its brightest jewels and Freemasonry
an ardent, sincere and enthusiastic adherent. Devoted to the
interests of his profession, faithful to every trust committed to his
charge, his entire life is a monument of noble endeavor in
good works. Though far removed from our mortal eyes, his
memory can never wholly fade. The enduring record of a
pure and spotless life is his, and the high admiration he so
nobly encompassed remains to us as a glorious heritage.

"The great thing is to have a good one."

"Rose Leaf, receiving, the blessing of."

The same day, the "Hatch" was used to receive the
Subordinate Officers, and the Altar of our Ashim, be drained.
The water was remaining for a period of ninety days and
that this water be used at the head of each subordinate
